

## 2018 Summer Days at the Sanctuary Program Need-Based Scholarship Request

The maximum need-based youth scholarship typically offered for summer programs is 50% of the registration fee. In cases where material costs are higher, we are not able to offer the full 50% off the registration fee. We do review each request individually and strive to make it possible for all children to have a wonderful summer camp experience. *The Friends of Thunder Bay National Marine Sanctuary is a local nonprofit dedicated to supporting the sanctuary's education and community outreach initiatives.*

**Please mail or drop off this form with the name(s) of the summer program(s) you would like your child/children to attend at the Sanctuary Store (same address as follows) or mail to Friends of TBNMS, 500 West Fletcher Street, Alpena, MI 49707. You still need to complete the online application at: <http://thunderbayfriends.org/index.php/summer-programs/>**
